MEMORANDUM FOR: PROJECT SECURITY OFFICER

SUBJECT : Training Flights

1. Reference proposed flight routes, the SAC training unit plans to generally route training flights eastward from the site staying in range where possible of major AF installations throughout the south and southeastern part of the U. S. Flight routes will probably go to [redacted], then either eastward [redacted] area or northeast [redacted]

25X1
25X1

2. Present plans have these flights covered as strictly USAF flights and pilots will have letters of introduction from a high USAF official.

3. It is suggested that Agency participation in emergencies be limited to prevent recurrence of incidents such as occurred 17 November 1955 in connection with the notification of [redacted] in Los Angeles by [redacted]
